For David Lash

I learned that withholding is the epitome of modesty. It is one thing to say, "I dew" and not mean fare well, yet. Phylactery Advocacy is another thing entirely: casting vulgar deforestation from undisclosed, heavily fortified balm shelters. I may harbor effeminate mannerisms, such as windmill invocations, baton twirling, Pink Vandalism, but that does not make mi a Closeted Fascist. It is immodest to suspend Habeus Corpus. I am coveting herr bathtub curtains.

↳ Tigris Wilderness ↵

Along the Silk Superhighway des Champs-Élysées our decapitated lamp stands. I devour your canine affection, kidnapping broken bulbs into folded pflags. There is no shortage of tissue paper.
